Welcome all back to another wonderful year here at JETS.

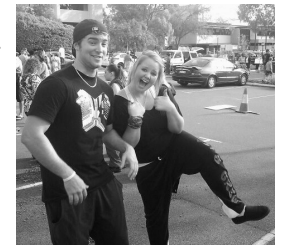

Hello and welcome to all existing students and a special welcome to our JETS FAMILY to all new students. Our end of year performance of "Fractured Fairytales" was awesome and I thank each and every one of the students and teachers for bringing it together. We wish Donna every blessing and hope her "retirement" is going well. We wish Lauren all the best with her own school "Hype Dance Academy" and we wish Faith all the very best with her events management. Having to replace so many teachers was a little daunting but we have been so blessed to have on our JETS Staff some amazingly talented teachers. They are my angels and dropped from the sky. Chelsea is amazing and I am loving being a student in her class myself. Dante is really making me work in the adult hip hop too. Our hip hop department has had the biggest changes and the performance Crew are loving it. We also welcome Charley to singing!

Brendon, Alyssia and Dante worked hard to get the students ready for the Joondalup Festival as did Chelsea with the JetSingers. We have been a part of the festival for 7 years and this year we didn't perform on stage instead took up the challenge of performing in the street parade. The singers did a fantastic job singing without music and got to experience something completely different! Well done to all the singers who participated. The Junior Hip Hop Crew went out with a bang

and tore up the road with their amazing abilities. We were so very proud of them for dancing in the street! Great Choreo from Dante and Alyssia and an awesome effort from the Crew to dance and keep up without music.....

The Senior Crew led by Brendon were having the time of their lives. Brendon purchases a boom box that morning that was going to surely impress and keep the dancers together.....thanks to Cheryl for being our "boom box Carrier". What

a laugh! What Brendon and the crew did not anticipate was the ever so cute older Indonesian Dancers.....they busted out their wheelie bin decked out with two huge speakers cut into the bin.... They blasted JETS out of the water with that!!!!

Ohhhhhh Helllllllll Noooooooo!!!!

Brendon is making plans to make his car into a float next year for the parade and blast out the sub-woofers mate! There is no way we will be out-done by Indonesian Dancers.... It will be us saying " I know you!!! You have good speakers....go away street parade is mine" (think of Bali Lady in insurance ad!)

There is a hip hop championship tour happening on Friday May 11th at UWA Octagon theatre. Our teachers and select students have been asked to showcase our talent in this fantastic show. Tickets are \$40 and available from Ros.

NO HIP HOP CLASSES ON FRIDAY 11TH MAY DUE TO THIS

We have had some great opportunities come our way in the way of a ABC 1Tv series which a few of our senior acting students were able to audition for. We have two Mini Jets auditioning for an Australian Film. Our stage Manager Briana has just got the job as Assistant Stage Manager for the Australian Debut of "An Officer and a Gentleman" Our assistant Drama Teacher Nicholas is going to Canada to perform 3 monologues in the Edmton Fringe Festival in August So too is one of our workshop teachers and theatre sports judge Shane Adamczak.

JETS Senior Crew has been asked to perform at the Joondalup Resort in June for a fundraiser for "Make a Wish Foundation"

Behaviour Policy

JETS has now put in place a three warning policy with regards to in-class behaviour. Students will be given two warnings and on the third warning a letter will be sent home inviting a discussion on the behaviour. We aim to have a fun safe environment here at Jets and need to maintain a high standard of respect towards each other. No form of misbehaviour or bullying will be tolerated. On the other hand if a student is not happy due to another please approach me as soon as it happens so it can be resolved. Parents thank you for your support in keeping Jets a fun and happy place to be.

COLLECTING CHILDREN AFTER CLASS

Jets Duty of Care legally ceases at the end of class time and whilst we try to make sure all students are safe I cannot have eyes in over 30 directions. Ultimately it is still the responsibility of parents/ carers. If someone else is going to collect your child please let me know....because I care.

HALL OF FAME QUOTES

These following quotes are directly from the students in classes here at JETS. Sometimes we cannot stop laughing and it makes the classes so much more fun. Enjoy!!

*scene was doctor's surgery - "Doctor doctor help I have Bieber Fever!

"How did you get Beaver Fever?"

*Where did you get your energy from today?

"Breakfast"

*student got a little embarrassed at his outburst in class and another student comforted him

"Good luck with that but it all happens to us sometimes!"

*Chelsea the singing teacher asked who knew what a chord was and how you can hold it?

Student replied "I can hold a cordial in my hands!"

*a student has come back this year really having found his confidence and voice. Ros asked him where he found his voice? Student replies

"in the cupboard!"

*lots of fun is had in our classes....."my ears hurt from smiling!"

*fun game in drama class is where you write your names with body parts as the pen....student asked "ummm is it in capitals or lower case!!!"

END OF YEAR PERFORMANCE 2012

We try so hard to give our students a variety of theatrical experiences here at JETS.

We know the show last year was long and we do pride ourselves on enabling every

student to be "Scene and Heard". This year I have decided to put on two separate shows. If you have children in both then you will have to purchase tickets to both.

This year it will be a cabaret style performance with tables of 10 and finger foods included in ticket prices. The performances will be in the form of Theatre Sports

Competitions for the Senior and Jet Setters Saturday 10th Nov show.

The Juniors and Mini Jets Sunday 11th Nov Show will be Theatre Sports Competition for the Juniors and a Mini Musical Production for the Mini Jets.

Ticket prices will be organised by the end of term. Our performances will take place earlier this year and JETS will finish a week earlier than normal for the year on Friday the 30th Nov. Shows held at Arena Joondalup. Tickets on sale term 3 with no refunds.
